

# **Our Approach**

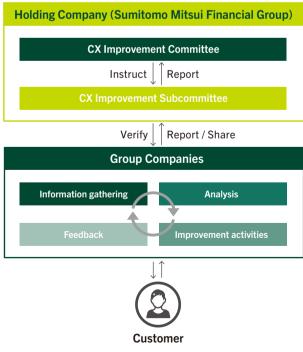

SMBC Group companies are united in their efforts for customer experience (CX) and quality improvement in line with "Our Mission," which states "We grow and prosper together with our customers, by providing services of greater value to them."

## **CX Improvement System**

We have established the CX Improvement Subcommittee as well as the CX Improvement Committee, through which we are advancing initiatives, reinforcing management systems, and promoting Group coordination related to customer-oriented business conduct. Outside experts are invited to serve as advisors at meetings of the CX Improvement Subcommittee, where information is exchanged on how to fully entrench a customer-oriented mindset.

Meanwhile, the CX Improvement Committee, which shares members with the Group Management Committee,

## **Incorporation of Customer Feedback into Management**

## Declaration of Compliance with ISO 10002

SMBC, SMBC Nikko Securities, and SMBC Consumer Finance have declared their intent to comply with the ISO 10002 (JIS Q 10002) international standard with regard to their processes for incorporating customer feedback into management.

deliberates on concrete measures based on reports from the CX Improvement Subcommittee.

The appropriateness and efficacy of customer-oriented business conduct is reviewed and assessed by the Audit Department, the results of which are reported regularly to the Audit Committee, a subcommittee of the Board of Directors, and to the Group Management Committee. Customer feedback, including complaints, is also regularly reported to the Audit Committee.

## **Initiatives to Improve Product and Service Quality**

In order to provide customer-oriented products and services, SMBC Group always confirms that adequate assessments and responses to possible risks are taken during the planning and development stages, and that there is customer demand. We also carry out periodic quality reviews of existing services, and the CX Improvement Subcommittee, composed of external experts and relevant heads of department, reviews and discusses the efforts of each Group company to improve the quality of our products and services.

## **Customer-Oriented Business Initiative**

Based on the Principles for Customer-Oriented Business Conduct (a guideline on fiduciary duties) released by the Financial Services Agency, SMBC Group formulated its Basic Policy for Customer-Oriented Business Conduct and the Basic Policy for Customer-Oriented Business Conduct in the Retail Business Unit.

## **Basic Policy for Customer-Oriented Business Conduct\*** (Excerpt)

#### ■ Initiatives for Promoting Customer-Oriented Business Conduct

SMBC Group will implement the following initiatives to entrench the principles of customer-oriented business conduct into its activities.

- 1. Provision of Products and Services Suited to the Customer
- 2. Easy-to-Understand Explanation of Important Information
- 3. Clarification of Fees
- 4. Management of Conflicts of Interest
- 5. Frameworks for Properly Motivating Employees

SMBC Group aims to facilitate the shift from savings to asset holding seen in Japan through such initiatives. Furthermore, we will periodically disclose information on initiatives by SMBC Group based on this policy with the aim of facilitating understanding regarding these initiatives among customers. In addition, the status of initiatives and their results will be verified so that initiatives can be revised as necessary to improve upon operating practices. Information regarding these verifications and revisions will be disclosed.

## **Basic Policy for Customer-Oriented Business Conduct in** the Retail Business Unit

Based on Sumitomo Mitsui Financial Group's Basic Policy for Customer-Oriented Business Conduct, the Retail Business Unit shall adhere to the following conduct policies in offering service as a retail company that is responsible for providing wealth management and asset building services for individual customers. In accordance with these policies, the Retail Business Unit shall implement a plan-docheck-act (PDCA) cycle that entails disclosing specific indicators, confirming and analyzing its status in relation to these indicators, and utilizing this information in the future to improve business practices.

#### Conduct Policies

# 1. Customer-Oriented Wealth Management Proposals Based on Medium- to Long-Term Diversified Investment

With a focus on accurately addressing customers' wealth management needs related to protecting or building assets, we will provide customer-oriented wealth management proposals based on medium- to long-term diversified investment. Through this approach, we strive to deliver customer-oriented financial products.

### 2. Lineup of Customer-Oriented Products

We shall constantly revise our product lineup, utilizing third-party evaluations of the products of Group companies and other products as necessary, in order to enhance our lineup so that we can accurately address customers' needs related to protecting or building assets. At the same time, we will increase the amount of information provided to customers and take steps to ensure that this information is easy to understand.

### 3. Customer-Oriented After-Sales Services

We will provide fine-tuned after-sales services to help customers continue to hold our wealth management products with peace of mind over the long term.

#### 4. Customer-Oriented Performance Evaluation Systems

We shall develop performance evaluation systems that encourage employees to engage in effective customer-oriented sales activities.

## 5. Improvement of Consulting Capabilities

We shall continuously improve our consulting capabilities to ensure we are always capable of proposing the best possible solution for customers' wide-ranging needs.

For information on the Basic Policy for Customer-Oriented Business Conduct, please see pages 168-169.

# Performance with Regard to Disclosed Indicators Increase in Balance of Investment Assets (Indicator 1)

In FY2022, the total balance of investment assets for SMBC, SMBC Nikko Securities, and SMBC Trust Bank continued to grow due in part to the continuation of customer-oriented initiatives focused on medium- to long-term diversified investment.

Increase in balance of investment assets (since Apr. 2013)

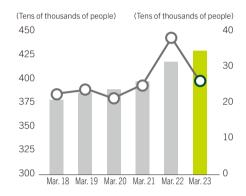

Note: Figures represent the combined total for the Retail Banking Unit of SMBC and the Retail (Private) of SMBC Nikko Securities.

# Number of Customers Using Wealth Management Products (Indicator 3)

We continue to increase the number of customers using wealth management products by working to accurately address customers' needs related to protecting or building assets.

Number of customers using wealth management products (left axis)

# Number of Investment Trust and Automatic Foreign Currency Deposit Accounts (Indicator 8)

To respond to the needs of customers seeking to begin acquiring assets, we have been aggressively proposing investment trust products that allow for small-sum investments as well as time-dispersed investments in automatic foreign currency deposits. As a result, there has been steady growth in the number of investment trust and automatic foreign currency deposit accounts.
