Information on Property Valuation Indexed LTV

Indexed LTV is calculated using the residential property index, issued by Land Economy and Construction Industries Bureau - Ministry of Land, Infrastructure, Transport and Tourism http://www.mlit.go.jp/common/001214203.pdf

SMBC determines the Property Value, based on comparison of the latest property index and the property index relevant to the origination month/year In case of an indexed property value being higher than the original value, SMBC shall discount the increase by 15%

Prudent Discount of Property Valuation
