Sumitomo Mitsui Finance and Leasing (SMFL) was created from the merger of SMBC Leasing Company, Limited, and Sumisho Lease Co., Ltd., in October 2007. SMFL aims to become the top leasing company in Japan in terms of both quantity and quality by combining (a) the customer base and know-how of SMBC Leasing, as a bank-affiliated leasing company that can draw on the financial solutions offered by other subsidiaries of SMFG, and (b) the customer base and know-how of Sumisho Lease, as an affiliate of the Sumitomo Corporation Group, one of Japan's leading trading houses, which has business relationships along the value chains in a wide range of industries.

SMFL is one of the leading companies in the leasing industry because of its strong marketing position based on its access to channels to

users of leased equipment and to suppliers of equipment, its capabilities for offering high-value-added products and services, and its close ties with one of its shareholders in the aircraft operating lease field. Through anticipating future needs and offering top-quality leasing services, SMFL is working to contribute to society as a leading company in the leasing industry.

The Japan Research Institute, Limited

The Japan Research Institute, Limited (JRI), is a "knowledge engineering" company that offers high-value-added services by effectively combining its capabilities in three fields: namely, information systems integration, consulting, and think-tank services. JRI offers consulting services—principally focused on management innovation and IT-related issues, planning and implementation services for strategic information systems, and outsourcing services—for customers in financial services and a range of other industrial sectors. In addition, JRI's wide-ranging activities cover the issuance of a range of information, including research and analysis of the Japanese and overseas economies, formulation of policy recommendations, and assistance in the incubation of new businesses.

In December 2008, JRI concluded a capital and business alliance with JRI Solutions, Limited, an SMFG company offering IT solutions

to customers across a wide range of industries, and NTT Data Co., Ltd. And, in January 2009, JRI Solutions began operations anew under the name "JSOL." Looking ahead, JRI, while maintaining close relationships with other SMFG companies, will draw on the diverse range of resources and know-how of the NTT Data Group, as well as the know-how it has accumulated, to further grow and develop as an IT services company.
