

Notice Concerning Termination of Joint Venture
with Daiwa Securities Group Inc.

TOKYO, September 10, 2009 --- Sumitomo Mitsui Financial Group, Inc. (President: Teisuke Kitayama) (hereinafter referred to individually as “SMFG,” and, together with its subsidiaries and affiliates, referred to collectively as the “SMFG Group”) hereby announces that it has reached an agreement to terminate the joint venture (hereinafter referred to as the “Joint Venture”) relating to Daiwa Securities SMBC Co. Ltd. (President: Shin Yoshidome; hereinafter referred to as “Daiwa Securities SMBC”), a joint venture company owned by SMFG and Daiwa Securities Group Inc. (President and CEO: Shigeharu Suzuki) (hereinafter referred to individually as “Daiwa Securities Group Inc.,” and, together with its subsidiaries and affiliates, referred to collectively as the “Daiwa Securities Group”), upon the completion of various procedures as required by applicable governmental agencies, as follows:

1. Termination of Joint Venture
 - (1) Reasons for Terminating Joint Venture

Since its formation and commencement of business in April 1999 as a joint venture company owned by Daiwa Securities Group Inc. (which currently owns 60% of the common shares issued by Daiwa Securities SMBC) and SMFG (which currently owns 40% of the common shares issued by Daiwa Securities SMBC), Daiwa Securities SMBC has consistently held a leadership position in the market as a “hybrid” investment bank formed by a major securities firm and a major commercial bank, a unique business model in Japan, thereby serving the needs of clients, both in domestic and overseas markets.

At the same time, the external environment affecting the applicable parties has been changing dramatically, due to the acceleration of the worldwide trend to combine banking and securities activities triggered by the Lehman Brothers collapse in September 2008, and the progress of efforts to improve conditions for the promotion of the business model based on the integration

of banking and securities activities through the amendment of the firewall regulations in June 2009, etc.

Taking into consideration such changes in the external environment, etc., SMFG and Daiwa Securities Group Inc. have held extensive discussions concerning the possible enhancement of cooperation between them in order to provide clients with convenient and high-quality services.

Through such discussions, however, differences between SMFG and Daiwa Securities Group Inc. became clear in their opinions concerning the future implementation of the business model integrating banking and securities activities in the wholesale securities business. For this reason, SMFG and Daiwa Securities Group Inc. concluded that it would be desirable for each of them to pursue its own securities strategies separately and agreed to terminate the Joint Venture for their future benefit, while mutually confirming the continuation of the amicable trust relationship between them.

(2) Details Concerning Termination of Joint Venture

SMFG and Daiwa Securities Group Inc. plan to hereafter discuss the specifics of and to implement a transfer (hereinafter referred to as the “Stock Transfer”), in principle, of all of SMFG’s equity interest in Daiwa Securities SMBC to Daiwa Securities Group Inc. by the end of December 2009.

The Basic Agreement executed as of the date hereof by and between SMFG and Daiwa Securities Group Inc. provides that the officers and employees, who have been seconded or transferred from SMFG Group to Daiwa Securities SMBC will, with some exceptions, be returned to the employ of the SMFG Group as of October 1, 2009.

2. Business Cooperation between SMFG and Daiwa Securities Group Inc.

The joint venture relating to Daiwa Securities SMBC will soon be terminated; however, SMFG and Daiwa Securities Group Inc. have mutually confirmed that the amicable trust relationship between them, which has been nurtured over a long period of time, including the fact that Sumitomo Mitsui Banking Corporation is the “main bank” of Daiwa Securities Group, will remain unaffected in the future.

Based on this fundamental understanding, an agreement has been reached to cause Daiwa Securities SMBC Principal Investments Co. Ltd. to continue its existence as a joint venture between Daiwa Securities Group Inc. (which will own 60% of the shares) and SMFG Group (which will own 40% of the shares) upon the completion of various procedures as required by applicable governmental agencies, and the framework of future cooperation in other businesses will be studied.

Further, SMFG and Daiwa Securities Group Inc. have agreed to study the possibility of entering into new business alliances in the investment banking area.

3. Schedule for Termination of Joint Venture

September 10, 2009	Resolution of a meeting of the board of directors of SMFG; Execution of the Basic Agreement
October 1, 2009	Return of certain officers and employees seconded or transferred by SMFG Group to Daiwa Securities SMBC to SMFG Group
[December 31, 2009] (tentative)	Completion of Stock Transfer, Termination of Joint Venture Agreement

* The schedule for and timing of the detailed procedures that need to be completed to terminate the Joint Venture are subject to change depending on, among other things, the progress of the discussions between SMFG and Daiwa Securities Group Inc., the completion of any procedures required by applicable governmental agencies, etc.

4. Impact to Earnings Forecast

No revision is made to SMFG's earnings forecast for the fiscal year ending March 31, 2010, in connection with the matter at issue.
