This document contains a summary of SMFG's consolidated interim financial information under International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board that was disclosed in its interim report on Form 6-K submitted to the U.S. Securities and Exchange Commission on January 22, 2013. This document does not contain all of the information in the interim report on Form 6-K that may be important to you. You should read the entire interim report on Form 6-K carefully to obtain a comprehensive understanding of SMFG's business and financial data under IFRS and related issues.

This document contains "forward-looking statements" (as defined in the U.S. Private Securities Litigation Reform Act of 1995), regarding the intent, belief or current expectations of SMFG and its management with respect to SMFG's future financial condition and results of operations. In many cases but not all, these statements contain words such as "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "probability," "risk," "project," "should," "seek," "target," "will" and similar expressions. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those expressed in or implied by such forward-looking statements contained or deemed to be contained herein. The risks and uncertainties which may affect future performance include: deterioration of Japanese and global economic conditions and financial markets; declines in the value of SMFG's securities portfolio; SMFG's ability to successfully implement its business strategy through its subsidiaries, affiliates and alliance partners; exposure to new risks as SMFG expands the scope of its business; and incurrence of significant credit-related costs. Given these and other risks and uncertainties, you should not place undue reliance on forward-looking statements, which speak only as of the date of this document. SMFG undertakes no obligation to update or revise any forward-looking statements. Please refer to SMFG's most recent disclosure documents such as its annual report or registration statement on Form 20-F and other documents submitted to the U.S. Securities and Exchange Commission, as well as its earnings press releases, for a more detailed description of the risks and uncertainties that may affect its financial conditions, its operating results, and investors' decisions.
