This document contains "forward-looking statements" (as defined in the U.S. Private Securities Litigation Reform Act of 1995), regarding the intent, belief or current expectations of us and our managements with respect to our future financial condition and results of operations. In many cases but not all, these statements contain words such as "anticipate", "estimate", "expect", "intend", "may", "plan", "probability", "risk", "project", "should", "seek", "target" and similar expressions. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those expressed in or implied by such forward-looking statements contained or deemed to be contained herein. The risks and uncertainties which may affect future performance include: deterioration of Japanese and global economic conditions and financial markets; declines in the value of our securities portfolio; our ability to successfully implement our business strategy through our subsidiaries, affiliates and alliance partners; exposure to new risks as we expand the scope of our business; and incurrence of significant credit-related costs. Given these and other risks and uncertainties, you should not place undue reliance on forward-looking statements, which speak only as of the date of this document.

We undertake no obligation to update or revise any forward-looking statements.

Please refer to our most recent disclosure documents such as our annual report on Form 20-F and other documents submitted to the U.S. Securities and Exchange Commission, as well as earnings press releases, for a more detailed description of the risks and uncertainties that may affect our financial conditions and results of operations, and investors' decisions.

(表示方法の変更／Changes in presentation)
