

# Group Structure

SMBC Group is a global financial group that develops operations in a wide range of fields, including banking, leasing, securities, credit cards, and consumer finance.

Under the holding company, Sumitomo Mitsui Financial Group, we have established four business units that draft and implement Group strategies based on customer segments. For head office functions, we have clarified the managers responsible for specific areas of group-wide management and planning under the CxO system. In addition, we are taking steps to share management resources and optimize the allocation of resources.
