Note: Terms in this form shall, unless otherwise prescribed separately, be used in accordance with the terminology used in the Notification as well as the Bank Holding Company Equity Capital Adequacy Notification.

- a. Basel III Template No. (hereinafter referred to as “Item No.” in this form) 3 “Total exposures” shall state the total amount of the following.
- (1) The amount of on-balance sheet assets (total assets reported in the non-consolidated balance sheet or the consolidated balance sheet, less the amount of customers’ liabilities for acceptance and guarantees, less the amounts reported with respect to (2) and (3) reported in the non-consolidated balance sheet or the consolidated balance sheet)
 - (2) The amount of derivative transactions, etc. (referring to forward contract, swap, option, and other derivatives and long settlement transactions; hereinafter the same in (2) and (4)) (the amount of exposure calculated in respect of derivative transactions, etc. (the amount of replacement cost calculated by using current exposure method (which shall be zero if such amount turned out to be a negative value), added by the add-on amount, as well as the notional amount of the credit derivative that provides protection), added by the consideration of the margin deposited in cash in connection with derivative transactions, etc.)
 - (3) The amount of SFTs (amount of cash receivables in SFTs added by the amount of exposure at the counterparty of transaction calculated for each unit of SFTs (which shall be zero if such amount turned out to be a negative value))
 - (4) The amount of off-balance sheet transactions (excluding derivative transactions, etc., and SFTs) (the amount of credit risk exposure at the counterparty of transaction, added by the amount of exposure arising from the underlying asset, as well as the amount of securitisation exposure)
- b. Item No.4 “Mutual relevance - Intra-financial system assets” shall state the total amount of the following balances concerning the credit granted to financial institutions, etc. (including financial instruments business operators prescribed under Article 2, Paragraph 9 of the Financial Instruments and Exchange Act, insurance companies, central counterparty, pension funds and other business operators of the similar kind; hereinafter the same in b. and c.).
- (1) Funds deposited with or lent to other financial institutions and undrawn committed lines extended to other financial institutions
 - (2) Holdings of securities issued by other financial institutions (referring to secured bonds, general unsecured bonds, subordinated bonds, short-term bonds, negotiable certificates of deposit and stock; hereinafter the same in Item No. 6)
 - (3) Net positive current exposure of SFTs with other financial institutions (which can take into account the effect of legally binding netting contracts, but cannot have a negative value)
 - (4) The add-on amount calculated based on the amount measured at fair value and by using the current exposure method as adopted for the derivative instruments transactions and long settlement transactions with other financial institutions, without involving financial instruments markets as defined under Article 2, Paragraph 14 of the Financial Instruments and Exchange Act, and foreign financial instruments markets as defined under Article 2, Paragraph 8, Item 3(b) of the same Act (which can

take into account the effect of legally valid bilateral netting contracts, but cannot have a negative value; hereinafter collectively referred to as “financial instruments markets, etc.” in Item No. 10 and c.)

- c. Item No. 5 “Mutual relevance - Intra-financial system liabilities” shall state the total amount of the following balances.
- (1) Deposits due to, and loans obtained from other financial institutions (including undrawn committed lines)
 - (2) Net negative current exposure of SFTs with other financial institutions (which can take into account the effect of legally valid bilateral netting contracts, but cannot exceed zero)
 - (3) The add-on amount calculated based on the amount measured at fair value and by using the current exposure method as adopted for the derivative instruments transactions and long settlement transactions with other financial institutions, without involving financial instruments markets, etc. (which can take into account the effect of legally valid bilateral netting contracts, but cannot exceed zero)
- d. Item No. 8 “Substitutability/financial infrastructure – the annual total amount of payments through settlement systems” shall state the annual total amount of payments settled through the BOJ-NET, the Japanese Banks’ Payment Clearing Network and other similar settlement systems but excluding intra-group payments in the most recently ended fiscal year.
- e. Item No.9 “Substitutability/financial infrastructure – the annual total amount of underwritten transactions in debt and equity markets” shall state the annual total amount of transactions underwritten in debt and equity markets in the most recently ended fiscal year (referring to securities underwriting as prescribed in Article 2, Paragraph 8, Item 6 of the Financial Instruments and Exchange Act).
- f. Financial institutions mentioned in Item No.10 “Complexity – total amount of notional amount of OTC derivatives and long settlement transactions with other financial institutions” refer to financial institutions, etc. as defined in b. above.
- g. Item No.12 “Complexity – Held-for-trading (HFT) securities and available-for-sale (AFS) securities” shall state the total amount of balances of Held-for-trading (HFT) securities and available-for-sale (AFS) securities (excluding HFT and AFS securities that are considered to have high liquidity).
- h. In each item in this form, if there is no specific applicable amount in the submitting financial institution, the item in question shall not be deleted but just be marked with [-].
- i. In this form, all amounts shall be stated in the designated unit herein, and any fraction less than such unit shall be rounded down.
- j. This form shall be prepared only by a bank subject to the uniform international standards (excluding the bank that is a consolidated subsidiary of a bank as well as the bank that is a consolidated subsidiary not of a bank but of a banking holding company, and consolidated subsidiary of a regulated foreign entity), or a holding company subject to the uniform international standards that states in Item No. 3 an equivalent to an amount in excess of 200 billion euros at the exchange rate as at the end of its most recently ended fiscal year, or that is designated by the Commissioner of the Financial Services Agency of Japan as an equivalent to a bank or a holding company subject to the uniform international standards.
