SMBC Group Information Disclosure

Various reports are available on our website for your reference.

* "Human Capital Story" is scheduled to be disclosed in fall FY2026.

This document contains "forward-looking statements" (as defined in the U.S. Private Securities Litigation Reform Act of 1995), regarding the intent, belief or current expectations of Sumitomo Mitsui Financial Group, Inc. ("the Company") and its management with respect to the Company's future financial condition and results of operations. This document also contains "sustainability statements" related to the sustainability activities of the Company concerning the environmental, social, and governance matters.

In many cases but not all, these statements contain words such as "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "probability," "risk," "project," "should," "seek," "target," "will" and similar expressions. Such statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those expressed in or implied by such forward-looking statements or sustainability statements contained or deemed to be contained herein. The risks and uncertainties which may affect future performance or results include: deterioration of Japanese and global economic conditions and financial markets; declines in the value of the Company's securities portfolio; incurrence of significant credit-related costs; the Company's ability to successfully implement its business strategy through its subsidiaries, affiliates and alliance partners; and exposure to new risks as the Company expands the scope of its business. Given these and other risks and uncertainties, you should not place undue reliance on forward-looking statements or sustainability statements, which speak only as of the date of this document. The Company undertakes no obligation to update or revise any forward-looking statements or sustainability statements. The sustainability initiatives described in the "sustainability statements" are undertaken in accordance with policies and practices independently determined by the Company, with the aim of supporting and addressing its risk management and other financing and investment objectives. Each decision will be made subject to local legal requirements.

Please refer to the Company's most recent disclosure documents such as its annual report on Form 20-F and other documents submitted to the U.S. Securities and Exchange Commission, as well as its earnings press releases, for a more detailed description of the risks and uncertainties that may affect its financial conditions, its operating results, and investors' decisions.
