

Aiming to become a globally competitive financial
services group with the highest trust

LEAD THE VALUE

We are a group of highly qualified professionals
that can provide truly valuable financial services to our customers.
Each of us thinks and acts with pride as experts in each business area
in order to LEAD the competition in creating and delivering
customer VALUE in a continually changing business environment.

These activities are supported by our three core strengths:

We create new VALUE by forming teams of specialists in various fields and providing optimal services to our customers through two-way communication. As a result, we will be selected as a truly trusted partner.
