

Independent Auditors' Report

To the Board of Directors of
Sumitomo Mitsui Financial Group, Inc.:

We have audited the accompanying consolidated balance sheets of Sumitomo Mitsui Financial Group, Inc. ("SMFG") and subsidiaries as of March 31, 2011 and 2010, and the related consolidated statements of income, changes in net assets and cash flows for the years then ended, and the consolidated statement of comprehensive income for the year ended March 31, 2011 expressed in Japanese yen. These consolidated financial statements are the responsibility of SMFG's management. Our responsibility is to independently express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of SMFG and subsidiaries as of March 31, 2011 and 2010, and the consolidated results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in Japan.

Additional Information:

As discussed in Note 37 to the consolidated financial statements, SMFG acquired and cancelled its 1st series Type 6 preferred stock on April 1, 2011, based on a resolution at the meeting of the Board of Directors held on February 28, 2011.

The consolidated financial statements as of and for the year ended March 31, 2011 have been translated into United States dollars solely for convenience of the readers. We have recomputed the translation, and, in our opinion, the consolidated financial statements expressed in Japanese yen have been translated into United States dollars on the basis set forth in Note 1 to the consolidated financial statements.
