

TERMS AND CONDITIONS OF THE SMFG NOTES

The following is the text of the terms and conditions which, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms (the “Final Terms”), will be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series of Notes issued by SMFG. Either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by deletion of non-applicable provisions), in each case save for the paragraphs in italics, will be endorsed on Bearer Notes or on the Certificates relating to Registered Notes. All capitalised terms which are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. Those definitions will be endorsed on the Bearer Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes which may be issued under the Programme.

The Notes are issued pursuant to an Agency Agreement dated 25 August 2016 (as amended, supplemented and/or restated as at the issue date of the Notes (the “Issue Date”), the “Agency Agreement”) between Sumitomo Mitsui Financial Group, Inc., Sumitomo Mitsui Banking Corporation and SMBC Capital Markets, Inc. as issuers, Sumitomo Mitsui Finance Dublin Limited as fiscal agent and paying agent, The Bank of New York Mellon (Luxembourg) S.A. as registrar, the Bank of New York Mellon as issuing and authentication agent and the other agents named in it. The Notes will have benefit of the Deed of Covenant dated 25 August 2016 executed by SMFG (as amended or supplemented as at the issue date of the Notes, the “Deed of Covenant”). The fiscal agent, the paying agents, the calculation agent(s) and the registrar for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Calculation Agent(s)” and the “Registrar”. The Noteholders (as defined below) and the holders of the coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement and the Deed of Covenant are available for inspection at the specified offices of the Fiscal Agent.

1 Form, Denomination, Title and Interpretation

The Notes are issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”), in each case in the Specified Denomination(s) shown hereon.

This Note is a Fixed Rate Note, a Floating Rate Note, a Fixed/Floating Rate Note, a Zero Coupon Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided under Condition 2(b), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register which the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as the absolute owner of such Note, Coupon or Talon, as the case may be, for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Note, Coupon or Talon shall be overdue and regardless of any notice of ownership, trust or any interest therein, theft or loss thereof or any writing thereon (or on the Certificate representing any Note(s)) made by anyone and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Transfers of Registered Notes

(a) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and any other evidence as the Registrar may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate will be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred will be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Noteholders. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(b) Partial redemption in respect of Registered Notes

In the case of a partial redemption of a holding of Registered Notes represented by a single Certificate, a new Certificate will be issued to the holder in respect of the balance of the holding not redeemed. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) Delivery of new Certificates

Each new Certificate to be issued pursuant to Condition 2(a) or (b) will be available for delivery within three business days of receipt of the form of transfer and/or surrender of the Certificate for exchange. The new Certificate shall be delivered at the specified office of the Registrar to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the Registrar the costs of such method of delivery and/or such insurance as it may specify. In this Condition 2(c), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Registrar.

(d) Transfer free of charge

Transfers of Notes and Certificates on registration, transfer, partial redemption or exercise of an option will be effected without charge by or on behalf of the Issuer or the Registrar, but upon payment (or the giving of such indemnity as the Registrar may require) in respect of any tax or other governmental charges which may be imposed in relation to it.

(e) Closed periods

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days prior to any date on which Notes may be redeemed by the Issuer at its option pursuant to Condition 5(d) or due to regulatory reasons pursuant to Condition 5(e), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3 Status

(a) Status of the Senior Notes

The Senior Notes and the Coupons relating to them constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Senior Notes and the Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all other present and future unsecured and unsubordinated obligations of the Issuer.

The Senior Notes are expected to be subject to potential losses in the event of the Issuer's liquidation following the application of the orderly resolution powers under the Deposit Insurance Act. See "Risk Factors—Risks Related to Senior Notes issued by SMFG—Senior Notes issued by SMFG will be subject to loss absorption if SMFG becomes subject to orderly resolution measures under the Deposit Insurance Act and Japanese insolvency laws. As a result, the value of such Senior Notes could be materially adversely affected, and holders of such Senior Notes may lose all or a portion of their investment".

(b) Status of the Subordinated Notes

- (i) *Status:* The Subordinated Notes and the Coupons relating to them constitute direct and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Subordinated Notes and the Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all indebtedness that is subordinated to Senior Indebtedness and that is in priority to all of the Issuer's perpetual subordinated indebtedness, including indebtedness in respect of preference or other shares or any other indebtedness which ranks, or is expressed to rank, *pari passu* with, or junior to, indebtedness in respect of perpetual subordinated indebtedness.

The Subordinated Notes are expected to be subject to potential losses in the event of a Write-Down upon a Non-Viability Event of the Issuer following the application of the orderly resolution powers under the Deposit Insurance Act. See "Risk Factors—Risks Related to Subordinated Notes issued by SMFG—The Subordinated Notes contain non-viability loss absorption provisions which subject the Subordinated Notes to a Write-Down upon the occurrence of a Non-Viability Event, as a result of which the holders of the Subordinated Notes may lose the entire value of their investment. Holders of the Subordinated Notes will only receive notice of a Non-Viability Event after it has occurred."

- (ii) *Subordination:* Upon the occurrence and continuation of a Subordination Event, the Issuer's obligations under the Subordinated Notes shall be subordinated in right of payment to all Senior Indebtedness and, so long as such Subordination Event continues (and in the case of civil rehabilitation proceedings, so long as neither a Summary Rehabilitation Order nor Consent Rehabilitation Order shall have been issued), no payment will be made under the Subordinated Notes (except for such amounts which shall have become due and payable, other than solely by way of acceleration, prior to the occurrence of a Subordination Event) unless and until (x) in the case of Subordination Event (a), all Senior Indebtedness appearing on the final distribution list prepared by the administrator for the final distribution of bankruptcy assets pursuant to the Bankruptcy Act of Japan (Act No. 75 of 2004, as amended) or any successor legislation thereto (the "Bankruptcy Act"), is paid in full or provision has been made for the payment in full thereof pursuant to the Bankruptcy Act, (y) in the case of Subordination Event (b), all Senior Indebtedness appearing in the plan of reorganisation, at the date such plan has become final and conclusive after approval by a court of competent jurisdiction in Japan, as the Issuer's indebtedness, subject to modification of such plan, is paid in full to the extent of the original amount of such indebtedness without regard to such modification, (z) in the case of Subordination Event (c), all Senior Indebtedness appearing in the plan of rehabilitation, at the date such a plan has become final and conclusive after approval by a court of competent jurisdiction in Japan, as the Issuer's indebtedness, subject to modification in such plan, is paid in full to the extent of the original amount of such indebtedness without regard to such modification

or (iv) in the case of Subordination Event (d), conditions equivalent to those set out in (x), (y) or (z) above have been fulfilled; provided that, notwithstanding any provision herein to the contrary, if the imposition of any such condition is not allowed under such proceedings, any amount which becomes due under the Subordinated Notes shall become payable in accordance with the Conditions and not subject to such impermissible condition.

The rights of the holders of the Subordinated Notes will be reinstated with respect to any payments made to such holders that are subsequently avoided in the bankruptcy, reorganisation or rehabilitation, as though such payments had not been made.

The Issuer shall make no amendment or modification to the subordination provisions contained in these Conditions that is prejudicial to any present or future creditor in respect of any of its Senior Indebtedness. No such amendment or modification shall in any event be effective against any such creditor.

A holder of a Subordinated Note by his acceptance thereof shall thereby agree that if any payment is made to the holder of such Subordinated Note with respect to a payment obligation that did not become due and payable prior to the occurrence of a Subordination Event and the amount of such payment shall exceed the amount, if any, that should have been paid to such holder (upon the proper application of the subordination provision of the Subordinated Note), the payment of such excess amount shall be deemed null and void and such holder will be deemed to hold the same on trust for the Issuer and be obliged to return the amount of the excess payment, and shall also thereby agree that upon the occurrence of a Subordination Event and so long as such Subordination Event shall continue, such holder shall not exercise any right to set off any of the Issuer's liabilities under the Subordinated Note (except for such amounts which shall have become due and payable, other than solely by way of acceleration, prior to the occurrence of a Subordination Event) against any liabilities of such holder owed to the Issuer unless, until and only in such amount as the Issuer's liabilities under the Subordinated Notes become payable pursuant to the proper application of the subordination provisions of the Subordinated Notes.

“Consent Rehabilitation Order” means a decision of a court of competent jurisdiction under Article 217, Paragraph (1) of the Civil Rehabilitation Act to the effect that the procedures for the investigation and confirmation of civil rehabilitation claims as defined in Article 84 of the Civil Rehabilitation Act and the resolution of a civil rehabilitation plan shall be omitted.

“Senior Indebtedness” means all liabilities of the Issuer (including, for the avoidance of doubt, statutory subordinated bankruptcy claims (*retsugoteki hasan saiken*), as defined under the Bankruptcy Act) other than (i) liabilities under the Subordinated Notes which shall not have become due and payable prior to the occurrence of a Subordination Event, (ii) liabilities under the Subordinated Notes which shall have become due and payable solely by way of acceleration prior to such date and (iii) other liabilities ranking *pari passu* with, or junior to, the Subordinated Notes.

“Subordination Event” means any one of the following events:

- (a) a court of competent jurisdiction in Japan shall have adjudicated the Issuer to be bankrupt pursuant to the provisions of the Bankruptcy Act;
- (b) a court of competent jurisdiction in Japan shall have commenced reorganisation proceedings with respect to the Issuer pursuant to the provisions of the Corporate Reorganisation Act of Japan (Act No. 154 of 2002 as amended; the “Reorganisation Act”);
- (c) a court of competent jurisdiction in Japan shall have commenced civil rehabilitation proceedings with respect to the Issuer pursuant to the provisions of the Civil Rehabilitation Act of Japan (Act No. 225 of 1999 as amended) or any successor legislation thereto (the “Civil Rehabilitation Act”); or
- (d) the Issuer shall have become subject to bankruptcy, corporate reorganisation, civil rehabilitation or other equivalent proceedings pursuant to any applicable law of any jurisdiction other than Japan, which proceedings have an equivalent effect to those set out in (a), (b) or (c) above.

“Summary Rehabilitation Order” means a decision of a court of competent jurisdiction under Article 211, Paragraph (1) of the Civil Rehabilitation Act to the effect that the procedures for the investigation and

confirmation of civil rehabilitation claims as defined in Article 84 of the Civil Rehabilitation Act shall be omitted.

For the avoidance of doubt, in the course of any potential bankruptcy proceedings pursuant to the Bankruptcy Act, claims of the holders of the Subordinated Notes (other than claims that shall have become due and payable, other than by way of acceleration, prior to the occurrence of a Subordination Event) will rank junior in priority to statutory subordinated bankruptcy claims (*retsugoteki hasan saiken*), as defined in the Bankruptcy Act, in any distributions in such bankruptcy proceedings. Statutory subordinated bankruptcy claims will constitute Senior Indebtedness.

4 Interest and Other Calculations

(a) Interest on Fixed Rate Notes

- (i) *Calculation of Interest:* Each Fixed Rate Note bears interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

The amount of interest payable shall be determined in accordance with Condition 4(h).

- (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (B) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (C) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(b) Interest on Floating Rate Notes:

- (i) *Interest Payment Dates:* Each Floating Rate Note bears interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(h). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

- (iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the

provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated hereon) the Margin (if any). For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (x) If the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date;

- (y) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (x)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the

Specified Currency is euro, in the Euro-zone (the “Principal Financial Centre”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(c) *Fixed/Floating Rate Notes*

The Issuer may issue Notes (i) that the Issuer may elect to convert on the date set out in the relevant Final Terms from a Fixed Rate Note to a Floating Rate Note, or from a Floating Rate Note to a Fixed Rate Note or (ii) that will automatically change from a Fixed Rate Note to a Floating Rate Note, or from a Floating Rate Note to a Fixed Rate Note on the date set out in the relevant Final Terms.

(d) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(b)(i)).

(e) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgement) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).

(f) *Margin, Maximum/Minimum Rates of Interest, Redemption Amounts, Rate Multipliers and Rounding:*

- (i) If any Margin or Rate Multiplier is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(g) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(h) Determination and Publication of Rates of interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts

As soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest payable and the Rate of Interest applicable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need to be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) Definitions

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“Business Day” means:

- (i) in the case of a currency other than euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or

5 Redemption, Purchase and Options

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below, each Note will be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount).

(b) *Early Redemption*

(i) *Zero Coupon Notes*

(A) The Early Redemption Amount payable in respect of any Zero Coupon Note which does not bear interest prior to the Maturity Date, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9, shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.

(B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity

Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually, where such calculation is to be made for a period less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph will continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest which may accrue in accordance with Condition 4(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (ii) *Other Notes*: The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 5(c), Condition 5(d) or Condition 5(e) or upon it becoming due and payable as provided in Condition 9, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons*

Subject to prior confirmation of the Financial Services Agency of Japan (the "FSA") (if such confirmation is required under applicable Japanese laws or regulations then in effect), the Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date or, if so specified hereon, at any time, on giving not less than 30 nor more than 60 days' notice of redemption to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b) above) (together with interest accrued to the date fixed for redemption) if (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 and such obligation cannot be avoided by the Issuer taking reasonable measures available to it or (ii) in the case of Subordinated Notes only, there is more than an insubstantial risk that, for Japanese corporate tax purposes, any portion of the interest payable on the Subordinated Notes is not or will not be deductible from the Issuer's taxable income or is or will be required to be deducted from the amount to be excluded from its taxable gross receipts and such tax treatment cannot be avoided by the Issuer taking reasonable measures available to it, in each case of (i) or (ii) above, as a result of any change in, or amendment to, the laws or regulations of Japan or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which the Issuer enters into a contract with one or more of the Dealers pursuant to which it becomes bound to issue the first tranche of the Notes; provided, that in the case of (i) above, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed by an authorised officer of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal or tax adviser of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts or there is more than an insubstantial risk that any part of interest to be payable on the Subordinated Notes is not or will not be deductible from the Issuer's taxable income or is or will be required to be deducted from the amount to be excluded from its taxable gross receipts, as a result of such change or amendment.

(d) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

If Call Option is specified hereon, the Issuer may, subject to prior confirmation of the FSA (if such confirmation is required under applicable Japanese laws or regulations then in effect), on giving irrevocable notice to the Noteholders with such notice period as may be specified hereon redeem, or exercise any Issuer's option (as may be described hereon) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified hereon and no greater than the maximum nominal amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the serial numbers or the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, as the case may be, to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(e) *Redemption for Regulatory Reasons*

The provisions of this Condition 5(e) apply only to Subordinated Notes.

Subject to prior confirmation of the FSA, the Subordinated Notes may be redeemed at the option of the Issuer, in whole, but not in part, on any Interest Payment Date or, if so specified hereon, at any time on giving not less than 30 nor more than 60 days' notice of redemption to the holders of the Subordinated Notes (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b) above) (together with interest accrued to the date fixed for redemption) if, as a result of any change in, or amendment to, the Applicable Banking Regulations, which change or amendment becomes effective on or after the Issue Date of the Subordinated Notes, the Issuer determines after consultation with the FSA that there is more than an insubstantial risk that the Subordinated Notes will be fully excluded from the Issuer's Tier 2 Capital under the applicable standards set forth in the Applicable Banking Regulations and such exclusion cannot be avoided by the Issuer through the taking of reasonable measures available to it. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed by an authorised officer stating that the conditions precedent to its right to so redeem have been fulfilled.

"Tier 2 Capital" means, any and all items constituting Tier 2 capital, as defined in the Applicable Banking Regulations.

"Applicable Banking Regulations" means, at any time, the capital adequacy regulations, public ministerial announcements, guidelines and policies then in effect of the FSA or other governmental authority that are applicable to the Issuer, including, without limitation, the Public Ministerial Announcement (*kokuji* (No. 20 of the FSA Public Ministerial Announcement of 2006, as amended)).

(f) *Purchases*

The Issuer and any of its subsidiaries may at any time purchase Notes (provided that all unmaturing Coupons and unexchanged Talons appertaining thereto are attached or surrendered therewith) in the open market or otherwise at any price, subject to prior confirmation of the FSA (if such confirmation is required under applicable Japanese laws or regulations then in effect).

(g) *Cancellation*

All Notes purchased by or on behalf of the Issuer or any of its subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmaturing Coupons and all unexchanged Talons to the Fiscal Agent and, in the case of Registered Notes, by surrendering

the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, will, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

6 Payment and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes will, subject as mentioned below, be made against presentation and surrender of the relevant Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 6(f)(v)) or Coupons (in the case of interest, save as specified in Condition 6(f)(v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. “Bank” means a bank in the principal financial centre for such currency or, (i) in the case of euro, the transfer may be to a euro account in a city in which banks have access to the TARGET System, and (ii) in the case of Japanese yen, the transfer shall be to a non-resident Japanese yen account (in the case of payment to a non-resident of Japan).

(b) Registered Notes

- (i) Payments of principal in respect of Registered Notes will be made against presentation and surrender of the relevant Certificates at the specified office of the Registrar or any Paying Agent and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes will be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “Record Date”). Payments of interest on each Registered Note will be made at the specified office of any Paying Agent in the relevant currency in which such payments are due by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address outside Japan appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Paying Agent before the Record Date such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts of the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment, and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 7. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents, the Registrar and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrar and the Calculation Agent(s) act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any holder. The Issuer reserves the right at any time to vary or

terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer will at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) one or more Calculation Agent(s) where the Conditions so require and (iv) such other agents as may be required by the stock exchange on which the Notes may be listed.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office will promptly be given to the Noteholders in accordance with Condition 14.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Account, as the case may be, due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).
- (ii) If the relative Notes so provide, upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note which provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and, if necessary, another Talon for a further Coupon sheet) (but excluding any Coupons which may have become void pursuant to Condition 8).

(h) *Non-Business Days*

If any date for payment, determined in accordance with Condition 4, in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business

in the relevant place of presentation, in such jurisdictions as shall be specified as “Financial Centres” hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of payment in euro) which is a TARGET Business Day.

7 Taxation

All payments of principal and interest in respect of the Notes and Coupons will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Japan, or any authority thereof or therein having power to tax (the “Taxes”), unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts (“Additional Amounts”) as will result in the receipt by the holders of such amounts as would have been received by them had no such deduction or withholding been required, except that no Additional Amounts shall be payable with respect to any Note or Coupon:

- (i) Other connection: to, or a third party on behalf of, a holder (i) who is for Japanese tax purposes treated as an individual resident of Japan or a Japanese corporation (other than a designated financial institution which does not fall under item (ii) below) or a Japanese non-resident being a specially-related person of the Issuer or (ii) who fails to comply with the Japanese tax law requirements in respect of the exemption from such withholding or deduction or (iii) who is otherwise subject to such Taxes by reason of its having some connection with Japan other than the mere holding of such Note or Coupon; or
- (ii) Presentation more than 30 days after the Relevant Date: presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such Additional Amounts on presenting the same for payment on such thirtieth day.

Notwithstanding any other provision of these Conditions, any amounts to be paid on the Notes and Coupons by or on behalf of the Issuer, will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “FATCA Withholding”). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

For the purpose of the paragraphs above, unless the context otherwise requires, the following defined terms shall have the meaning set out below:

“designated financial institution” means a Japanese financial institution or a Japanese financial instruments business operator designated by the Cabinet Order pursuant to Article 6, Paragraph 9 of the Special Taxation Measures Act of Japan (Law No. 26 of 1957, as amended) (the “Special Taxation Measures Act”); and

“specially-related person of the Issuer” means a person having a special relationship with the Issuer as prescribed in Article 6, Paragraph 4 of the Special Taxation Measures Act.

If (i) subsequent to making a payment on the Notes or Coupons without withholding or deduction of Japanese taxes the Issuer is required to remit to the Japanese tax authority any amount in respect of Japanese taxes that should have been withheld or deducted from such payment (together with any interest and

penalties) due to the failure of the beneficial owner to provide accurate interest recipient information or to otherwise properly claim an exemption from Japanese taxes imposed with respect to such payment, and (ii) such beneficial owner would not have been entitled to receive additional amounts with respect to such payment had Japanese taxes been withheld from the payment when it was made, such beneficial owner (but not any subsequent beneficial owner of the Notes or Coupons) shall be required to reimburse the Issuer, in Japanese yen, for the amount remitted by the Issuer to the Japanese tax authority.

As used in these Conditions, “Relevant Date” in respect of any Note or Coupon means the date on which payment in respect thereof first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date on which notice is duly given to the Noteholders in accordance with Condition 14 that, upon further presentation of the Note (or respective Certificate) or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts which may be payable under this Condition.

8 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

9 Events of Default, Event of Acceleration and Limitation of Enforcement Rights

(a) Events of Default and Limitation of Enforcement Rights

The provisions of this Condition 9(a) only apply to Senior Notes.

If any of the following events (an “Event of Default”) occurs, the holder of any Senior Note may by written notice given to the Fiscal Agent, effective upon receipt thereof by the Fiscal Agent, declare that such Senior Note is immediately repayable, whereupon the Redemption Amount of such Senior Note together with accrued interest to the date of payment shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which the Issuer hereby expressly waives, anything contained in these Conditions to the contrary notwithstanding, unless prior to the time when the Fiscal Agent receives such notice all Events of Default provided for herein in respect of the Senior Notes shall have been cured:

- (i) Non-Payment: default is made for a period of more than 15 days in the payment of principal or more than 30 days in the payment of interest due in respect of the Senior Notes; or
- (ii) Breach of Other Obligations: default is made by the Issuer in the performance or observance of any other covenant, term or agreement of the Issuer under the Senior Notes and such default is continuing for the period of 90 days after the date on which written notice of such default, requiring the Issuer to remedy the same, shall first have been given to the Issuer by any holder of the Senior Notes; or
- (iii) Insolvency: Except for the purposes of or pursuant to a consolidation, amalgamation, merger or reconstruction under which the continuing corporation, or the corporation formed as a result thereof, effectively assumes the entire obligations of the Issuer in relation to the Senior Notes:
 - (A) a decree or order by any court having jurisdiction shall have been issued adjudging the Issuer bankrupt or insolvent, or approving a petition seeking its reorganisation or liquidation under bankruptcy, civil rehabilitation, reorganisation or insolvency law of Japan, and such decree or order shall have continued undischarged and unstayed for a period of 90 days; or

- (B) a final and non-appealable order of a court of competent jurisdiction shall have been made for winding up or dissolution of the Issuer; or
- (C) the Issuer shall have initiated or consented to proceedings relating to itself under bankruptcy, civil rehabilitation, reorganisation or insolvency law of Japan; or
- (D) an effective resolution shall have been passed by the Issuer for its winding up or dissolution,

Notwithstanding any other provision of these Conditions, each holder of the Senior Notes acknowledges, consents and agrees, whether or not notice of such event shall have been made by the Issuer:

- (i) for a period of 30 days from and including the date upon which the Prime Minister of Japan (the “Prime Minister”) confirms that Specified Item 2 Measures (*tokutei dai nigo sochi*) should be applied to the Issuer, not to initiate any action to attach any assets, the attachment of which has been prohibited by designation of the Prime Minister pursuant to Article 126-16 of the Deposit Insurance Act of Japan (the “Deposit Insurance Act”) (or any successor provision thereto), and
- (ii) to any transfer of the Issuer’s assets (including shares of the Issuer’s subsidiaries) or liabilities, or any portions thereof, with permission of a Japanese court in accordance with Article 126-13 of the Deposit Insurance Act (or any successor provision thereto), including any such transfer made pursuant to the authority of the Deposit Insurance Corporation to represent and manage and dispose of the Issuer’s assets under Article 126-5 of the Deposit Insurance Act (or any successor provision thereto), and that any such transfer shall not constitute an Event of Default or breach of these Conditions.

As soon as practicable after (i) the Prime Minister confirms that Specified Item 2 Measures (*tokutei dai nigo sochi*) should be applied to the Issuer and/or (ii) a Japanese court publicly announces that it has granted permission to a transfer of the Issuer’s assets (including shares of its subsidiaries) or liabilities, or any portions thereof, in accordance with Article 126-13 of the Deposit Insurance Act (or any successor provision thereto), the Issuer shall deliver a notice of such event to the holders of Senior Notes in accordance with Condition 14. Provided that, any failure or delay in the delivery of such notice by the Issuer shall not alter or delay the effect of the acknowledgement, consent and agreement of the holders of Senior Notes in this Condition 9.

These provisions are intended to facilitate the Issuer’s orderly resolution under the Deposit Insurance Act and Japanese insolvency proceedings. See “Risk Factors – Risks Related to Senior Notes issued by SMFG – Senior Notes issued by SMFG will be subject to loss absorption if SMFG becomes subject to orderly resolution measures under the Deposit Insurance Act and Japanese insolvency laws. As a result, the value of such Senior Notes could be materially adversely affected, and holders of such Senior Notes may lose all or a portion of their investment”.

Subject to applicable law, each holder of the Senior Notes, by acceptance of any interest in the Senior Notes, agrees that it will not, and waives all rights to, exercise, claim or plead any right of set off or counterclaim in respect of any amount owed to it by the Issuer arising under, or in connection with, the Senior Notes.

(b) Event of Acceleration

The provisions of this Condition 9(b) only apply to Subordinated Notes.

If a Subordination Event has occurred and is continuing, and provided that a Non-Viability Event has not occurred, any holders of Subordinated Notes may by written notice given to the Fiscal Agent, effective upon receipt thereof by the Fiscal Agent, declare the nominal amount of, and all interest accrued on, the Subordinated Notes held by the Noteholder to be immediately due and payable (an “Event of Acceleration”), whereupon the same shall become immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which the Issuer hereby expressly waives, anything contained in these Conditions to the contrary notwithstanding. Except as provided above, holders of the Subordinated Notes will not have any right to accelerate any payment of principal or interest in respect of the Subordinated Notes.

If a court of competent jurisdiction shall (i) rescind or terminate a bankruptcy action with respect to the Issuer without a distribution of assets pursuant to the Bankruptcy Act, (ii) rescind or terminate a reorganisation proceeding with respect to the Issuer without approving the plan of reorganisation pursuant to the Reorganisation Act or (iii) rescind or terminate a rehabilitation proceeding without approving the plan of rehabilitation, or a Summary Rehabilitation Order or Consent Rehabilitation Order is issued, pursuant to the Civil Rehabilitation Act, then such Event of Acceleration shall have the same effect as if it had not occurred.

10 Write-Down upon a Non-Viability Event

The provisions of this Condition 10 only apply to Subordinated Notes.

If a Non-Viability Event occurs, the Subordinated Notes will be subject to a “Write-Down” on the Write-Down Date, automatically and without any additional action by the Issuer or the holders of the Subordinated Notes.

Upon the Write-Down:

- (i) the full principal amount of each Subordinated Note, except for principal that has become due and payable prior to the occurrence of the Non-Viability Event, will be permanently written down to zero and the Subordinated Notes will be cancelled; and
- (ii) the holders of the Subordinated Notes will be deemed to have irrevocably waived their right to claim or receive, and will not have any rights against the Issuer with respect to, payment of principal or interest on the Subordinated Notes (including additional amounts with respect thereto, if any), except for any payments of principal or interest (including additional amounts with respect thereto, if any) that have become due and payable prior to the occurrence of the Non-Viability Event.

The Issuer’s obligations with respect to, and any claims for, the payment of principal or interest on the Subordinated Notes (including additional amounts with respect thereto, if any), except for payments of principal or interest (including additional amounts with respect thereto, if any) that have become due and payable prior to the occurrence of the Non-Viability Event, will be suspended from the occurrence of the Non-Viability Event until the Write-Down Date.

Except for claims with respect to payments of principal or interest on the Subordinated Notes (including additional amounts with respect thereto, if any) that have become due and payable prior to the occurrence of the Non-Viability Event, as described above, upon the occurrence of a Non-Viability Event, (a) the holders of the Subordinated Notes shall have no rights under the Subordinated Notes to take any action or enforce any rights whatsoever, (b) no holder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under, or in connection with, the Subordinated Notes and each holder of Subordinated Notes shall, by virtue of its holding of any Subordinated Notes, be deemed to have irrevocably waived all such rights of set-off, compensation or retention and (c) no holder will be entitled to make any claim in any bankruptcy, insolvency or liquidation proceedings involving the Issuer or have any ability to initiate or participate in any such proceedings or do so through a representative.

A “Non-Viability Event” will be deemed to have occurred when the Prime Minister of Japan, following deliberation by Japan's Financial Crisis Response Council pursuant to the Deposit Insurance Act, confirms (*nintei*) that “specified Item 2 measures (*tokutei dai nigo sochi*)”, which are the measures set forth in Article 126-2, Paragraph 1, Item 2 of the Deposit Insurance Act (including any successor articles thereto), as then in effect, need to be applied to the Issuer under circumstances where its liabilities exceed or are likely to exceed its assets, or it has suspended or is likely to suspend payment of its obligations.

The Issuer shall, on the date of or as soon as practicable after the occurrence of a Non-Viability Event, deliver a written notice (“Write-Down Notice”) to the holders of the Subordinated Notes confirming the occurrence of such Non-Viability Event and the Write-Down Date. Any failure or delay by the Issuer to provide a Write-Down Notice, shall not change or delay the effect of the occurrence of the Non-Viability Event on its payment obligations under the Subordinated Notes.

The "Write-Down Date" means the date on which the Write-Down will become effective, as specified in the relevant Write-Down Notice. The Write-Down Date shall be determined by the Issuer in consultation with the FSA and any other supervisory authorities and shall be no less than one and no more than ten Business Days following the occurrence of the Non-Viability Event.

If any payment on a Subordinated Note is made to a Noteholder with respect to a payment obligation that did not become due and payable prior to the occurrence of a Non-Viability Event, then the payment of such amount shall be deemed null and void and the holder will be deemed to hold the same on trust for the Issuer and be obliged to return the amount of such payment.

11 Meetings of Noteholders and Modification

(a) Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including modification by Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders of the Notes (including these Conditions). An Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders, whether present or not, and on all relevant Couponholders, except that any Extraordinary Resolution proposed, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest thereon, (ii) to reduce or cancel the nominal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating the Interest Amount in respect thereof, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps which as specified hereon may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply or (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution will only be binding if passed at a meeting of the Noteholders (or at any adjournment thereof) at which a special quorum (provided for in the Agency Agreement) is present.

The Agency Agreement provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) Modification of Agency Agreement

The Issuer shall only permit, without the consent of the Noteholders, any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

12 Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Fiscal Agent (in the case of Bearer Notes, Coupons or Talons) and the Registrar (in the case of Certificates) or such other Paying Agent, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders in accordance with Condition 14, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer

in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to “Issue Date” shall be the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly.

14 Notices

Notices to the holders of Registered Notes will be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes will be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and so long as the Notes are listed on the Luxembourg Stock Exchange, published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

Holders of Coupons shall be deemed for all purposes to have notice of the contents of any notice to the holders of Bearer Notes in accordance with this Condition.

15 Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note or Coupon is due (whether as a result of, or of the enforcement of, a judgement or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the currency of payment under the relevant Note or Coupon which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note or Coupon, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it will be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgement, order, claim or proof for a liquidated amount in respect of any sum due under any Note or Coupon or any other judgement or order.

16 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

17 Governing Law and Jurisdiction

(a) Governing Law

The Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) Jurisdiction

The Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with any Notes, Coupons or Talons and, accordingly, any legal action or proceedings arising out of or in connection with any Notes, Coupons or Talons (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause is for the benefit of each of the holders of the Notes, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) Service of Process

The Issuer irrevocably appoints the General Manager for the time being of Sumitomo Mitsui Banking Corporation Europe Limited, currently at 99 Queen Victoria Street, London, EC4V 4EH, as its agent, to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.
